ABOUT THE CONFERENCE

Every leader was once an aspirant who needed a spark to ignite their journey toward leadership. BAPS Pramukh Academy is a not-for-profit centre of excellence committed to nurturing leadership in bright young minds by mentoring them for Civil Services preparation. Guided by the timeless values of HH Pramukh Swami Maharaj, our mission is to empower students to serve Bharat with integrity, wisdom, and compassion.

To ignite this inspiration, we organize annual conferences for school and college students. After successfully inspiring hundreds of bright minds during the past two conferences, we are pleased to announce this year's four-day residential conference for different groups of school and college students, with the theme:

IGNITING THE LEADER WITHIN
